## NEWS

Dear parents and carers,

Each class received a present last week - a brand new book to read at story time! The children were really excited to see which book they had been given and are really enjoying listening to the stories unfold. When each class finishes their book, they will wrap it up and pass it on to another class. Reading for pleasure is so important. Please ask your child what they have been reading and they'll tell you all about it!

At the end of their Beachcombers topic, year 2 learned about water safety in a PSHE lesson. They all received a certificate for remembering the four steps to water safety, as well as recalling lots of facts about the RNLI, who are celebrating their 200th anniversary this year. As they learned about the amazing work done by this charity, they wanted to do something to raise money for them. The children came up with the idea of making crispie cakes to sell to the rest of the school, made the cakes, advertised the sale and sold the cakes at the end of last term. They worked so hard for such a good cause and raised over £80. We are very proud of their knowledge of water safety and their amazing contribution to such a good cause. Well done year 2!

To kick off their Connected Learning theme, year 6 got hands on with their learning by dissecting a lamb's heart. The children worked in groups and helped each other to locate and explore the different components, from the heart strings to the different chambers. All in all, I think the children will agree, it was certainly a memorable experience!

Kind regards,

Emma Clark

Headteacher
